Who We Are

Wolf Ridge Archery is a fun, safe and competitive shooting club for archers ages 8 and up. We welcome anybody who is interested. No experience or equipment is necessary.

If you want to shoot for recreation, that's great. If you are more competitive, Coach Eaton is internationally ranked in recurve and our archers have placed and won in both North Carolina and national competitions.

So why do archery?

How about ...

- It attracts a great group of people, who have fun and encourage one another in this sport!
- It's a good way to get fit. Drawing the bow strengthens the upper body and walking the range gets you moving.
- It develops focus. On the line the archer learns to put aside distractions and focus on the moment, a skill helpful on the range and in life.
- It develops confidence. As they practice, archers see the improvement in themselves and can test that skill against others.

Our focus

We focus on target archery, and our members shoot Barebow, Olympic and Compound.

Why are you an archer?

"I like to be outdoors, in a beautiful setting, having fun with amazing people. "

-- Lynne Albert
